Consignor further represents that at the time of entering into this contract with VGA and at all times in the future they (the Consignor) are the true and lawful owner(s) of all items they represent and transact as for sale, have obtained said items by lawful means, solely have the legal right to authorize sale of said items, and that the items are free and clear of any and all liens, mortgages, security interests or other encumbrances.

Consignor further agrees to hold harmless and indemnify VGA, its owners, managers, agents, and employees harmless and free from any liability and or responsibility by misrepresenting the above, including but not limited to all demands, claims, suits, judgments, or other liability asserted by or awarded any person or entity arising by reason of Consignor's ownership, possession and/or sale of any or all items.

Term of this Agreement:

Consignor agrees to sell items at the listed price. After 30 days the listed price will be reduced 20% if the item is still available. The consignment period is 60 days total and 50% of the selling price will be compensated to the consignor the following month of the sale.

(Day 65) If the consignors item is not removed within 65 days or with approved arrangements the consignor forfeits said item. If the item has not been removed after 65 days, said item may be sold for any acceptable amount and there will be no payout to the consignor. There will be a \$10 per day storage fee for everyday after day 65 if consignor does not remove item.

Consignor acknowledges that VGA does not insure items placed in VGA. Consignor agrees to hold harmless Vintage Garage Antiques of any damage and or breakage or theft. Consignor expressly acknowledges that they are not an employee of VGA. In addition, Consignor agrees to hold harmless VGA from any and all responsibility related to any harm or personal injury Consignor may suffer related to their "item(s)" pursuits with respect to this agreement.

Vintage Garage Antiques agrees to act in good faith in seeking to sell item(s) for the consignor. **CONSIGNOR MUST HAVE ALL ITEMS TAGGED AND PRICED FOR SALE. ITEMS SHOULD BE CLEANED, TAGGED, AND PRICED PRIOR TO ARRIVING AT VINTAGE GARAGE ANTIQUES.** VGA offers no facilities for cleaning, storage, restoration, or processing of Consignor's items.

Consignor acknowledges understanding and agreeing that Vintage Garage Antiques and its agents, employees, and representatives are authorized to negotiate up to 10% off the indicated price on behalf of the consignor with regard to the price of item(s). From time to time VGA and its agents, employees, and representatives may phone the consignor to present additional offers made by customers to buy items.

All items MUST have a paper price tag attached (with string) with a clearly written PRINTED price

(using the format of: (\$00.00), your booth/case number, and a small description of the item (this is for your protection to help avoid 'tag switching'). Using both sides of the tag is encouraged. Make your tag unique looking to discourage tag switching – Maybe use an odd color of ink (but bright and contrasting). Put your vendor number on both sides of the tag. NEVER change the price without changing the entire tag. This is for your protection. A clearly PRINTED tag is essential for you to receive correct credit. Adhesive backed tags are not allowed as employees would have a difficult time removing them from sold merchandise.
